What is the difference between the Virtual Library and the eLearning Centre?

The eLearning Centre is an interactive learning space where participants of specific de Souza courses will find course content, discussion boards and announcements. You can [login to our eLearning Centre](#).

Certain courses require you to access the Virtual Library for journal articles; however, due to a limited number of seats, library access is only provided to participants who are actively engaged in a course. You can [login to the Virtual Library here](#).

The username and password are the same for My Account, eLearning and Virtual Library.
