

If I fail both tries of one of the seven end-of-section tests in the Foundations course

Julian Appel - 2023-07-10 - Course Specific

If I fail both tries of one of the seven end-of-section tests in the Foundations course, does that mean I have failed the course?

If you have failed both tries for one of the tests, but would like to continue with the course, please contact us at support@desouzainstitute.com .
