

I'm from another province/country

Julian Appel - 2023-07-10 - General

I'm from another province/country. Can I join your course or study group?

Our courses are open across the world and we have participants from a number of countries. Please [create a de Souza account](#) with your information and sign up for the courses you want to take.

If you are not sure about which courses would be a good fit for you, please [Contact Us](#) or email support@desouzainstitute.com and let us know a bit about your background and your interests and our educators will help.
