Where is my receipt?

You can download your receipts and course certificates by [logging into your account](#):

- (a) Click on **Certificates & Receipts** located on the left navigation menu under My Account; OR
- (b) Click on **View your certificates and receipts** located on the right (as shown)
- (c) Locate the course and click **View Receipt**

The screenshot shows the 'My Account' page. On the left, there is a navigation menu with 'Certificates & Receipts' highlighted and marked with a red box and letter 'a'. The main content area has a heading 'My Account' and a list of links: 'Register for a Course', 'Download Transcript (pdf)', and 'Designation Credits'. A central box titled 'This page contains:' lists several options, including 'your past courses - where you can download your course certificates and see your completion status'. To the right, a box titled 'You may also want to do the following common tasks in managing your course portfolio:' lists 'View your certificates & receipts' with a red box and letter 'b'. Below this, the 'My Certificates and Receipts' section is shown, with a 'Download Transcript (pdf)' button. It features three columns: 'Courses', 'Receipts', and 'Course Certificates'. Two courses are listed: 'Cancer Survivorship: Partnering With Patients to Improve Their Experience (SURV03JAN15)' and 'Chemotherapy Competency Maintenance Course (CCMC03FEB16)'. The 'View Receipt' button for the second course is highlighted with a red box and letter 'c'.
