Why do I have to pay a course fee

Julian Appel - 2023-07-10 - Payment

Why do I have to pay a course fee?

As de Souza Institute enters its next phase, starting April 01, 2013, de Souza Institute will be charging participants for courses, study groups and workshops. Course fees start at $199.00 and increase based on course length - this is a fraction of the total cost of a course.

There are sources of funding available to health care professionals to help cover the cost of the courses, more information can be found on our funding page.

For policies about registration and refunds, please see the Cancellation, Incomplete or No Show Policy on our website.
